WHY POEPOE
RAN ALONEWas Against Election of
Delegate.

HE BELIEVED IT ILLEGAL

Native Lawyer and Fifth District
Candidate Gives His
Views.

Editor Advertiser—Allow me to give to the public the reason why I was an independent candidate for Representative, and also the cause which restrained me from affiliating myself with any of our political parties. It must be understood that each and every one of our political parties had a delegate to elect, and as I did not believe that Congress had provided a law for a method, manner and time for his election—no box and no ballot having been provided for him—and as the election laws of the Territory are silent upon these important and necessary ingredients to legally constitute his election, I therefore restrained myself from voting for any man as such delegate to the House of Representatives in Congress; and I shall in due time file a protest against the election of this person with the Governor here, and with the House of Representatives in Washington.

Five thousand dollars for the pay of a delegate from the United States Treasury is no small sum to be thrown away, and I do not believe that the United States Congress will sanction an illegal election of any of its members.

If Congress should receive the delegate elected and sanction his election, then I will own my mistake and erroneous impression of our election laws, but in case that it should ignore him, as he is not legally elected under any election law as yet provided for by the Legislature of the Territory of Hawaii, I will be satisfied, for I have done what I ought to do on behalf of my fellow American citizens here in Hawaii, more especially my native countrymen.

If I had affiliated myself with any of our political machines I would thereby approve to the election of a "Delegator," Representative from the Territory of Hawaii, which course would be contrary to my previous record on this subject.

I have always claimed that there is no law now in the Territory of Hawaii providing for the election of this official, notwithstanding that little word "proceeding by phrase" "fixed by law" in section 15 of the Territorial Act, and in support of my claim I direct the reader's attention to the following extracts from the "Rules and Regulations for Administering Oaths and Holding Elections;" and these will clearly show that the election of a delegate from Hawaii to Congress is not at all "fixed by law" just yet.

REGISTRATION OF VOTERS ONLY FOR SENATORS OR REPRESENTATIVES, AND NOT FOR DELEGATE.

"Section 6—No name shall be placed upon the register of voters for either SENATORS or REPRESENTATIVES except upon the personal appearance of the applicant before the board of registration at an advertised meeting of the board.

"Section 7—Each applicant to be placed upon the register of voters for either SENATORS or REPRESENTATIVES shall upon each application for registration be examined under oath by the board of registration as to each one of the required qualifications.

"Section 13—No board of registration shall enter the name of any person upon the register of voters for either SENATORS or REPRESENTATIVES until satisfied that such person possesses the requisite qualifications.

"Section 28—No person shall be permitted to stand as candidate for election to the Legislature unless he shall be nominated and so requested in writing, etc., etc.

BALLOT BOXES—NONE FOR DELEGATE.

"Section 44—The Secretary of the Territory shall provide two suitable boxes for each polling place. One of such boxes shall be marked in plain letters, 'For Senators,' and the other, 'For Representatives,' etc., etc.

"Section 46—The inspectors shall prepare at each polling place a suitable compartment or space in which shall be placed at a point convenient for voters the TWO BALLOT BOXES herein provided.

"Section 50—At the opening of the polls for election the chairman of the inspectors shall in presence of any bystanders publicly open the ballot boxes and expose them to all persons present that it may be seen that they are empty. They shall then be closed and locked, and on no account opened till the poll is closed.

Query and Answer: What ballot boxes are mentioned in the above section? The only TWO BALLOT BOXES mentioned in sections 44 and 46.

"COLOR OF BALLOT.

"Section 54—The ballots for SENATORS shall be of blue paper, and the ballot for REPRESENTATIVES of white paper.

"DELIVERY OF BALLOT TO THE VOTER.

"Section 55—When any duly qualified voter shall offer to vote the chairman of inspectors shall deliver to such voter a ballot or ballots for REPRESENTATIVES or SENATORS, as the case may be, properly folded as herein provided.

"METHOD OF MARKING BALLOT ONLY FOR SENATORS AND REPRESENTATIVES.

"Section 59—A voter shall designate his choice for SENATORS and REPRESENTATIVES by making a cross, thus, X, on the right-hand side of the ballot in the space or spaces provided for such purposes, opposite the name or names of the candidate or candidates for whom he desires to vote.
